Cabinet Order Review Checklist

Use this sheet with your approved layout and itemized quote. Resolve unverified dimensions and unanswered questions before ordering.

Customer / project: _____

Confirm the plan

- ☐ Verify room measurements and finished floor conditions.
- ☐ Match the order to the approved layout version.
- ☐ Check appliance and sink installation requirements.
- ☐ Confirm each cabinet size, quantity, and configuration.
- ☐ Check door swing, drawer access, and corner clearances.

Confirm the purchase

- ☐ Verify cabinet line, door style, and finish.
- ☐ Include required fillers, panels, molding, and toe kick.
- ☐ Identify included hardware and storage accessories.
- ☐ Confirm assembly, installation, delivery, taxes, and timing.
- ☐ Read payment, change, return, reporting, and warranty terms.

Questions / follow-up
